

## Lufkin NAACP Branch # 6199-B

### “DID YOU KNOW”

High school juniors and seniors should begin applying for scholarships as soon as they have decided on a major and/or school of choice.

The NAACP Lufkin Branch offers two \$850 scholarships to Angelina College, and has provided approximately 10+ scholarships to graduating seniors, or those that are already enrolled in Angelina College. There is no age limit for this scholarship, and it is open to all races/ethnicity, (but you must attend Angelina College). Stephen F. Austin State University, (Nacogdoches, Texas), also has a scholarship that is funded from the same class action lawsuit.

The local NAACP previously partnered with CHI St. Luke's Hospital to provide two (2) additional medical scholarships to the students' college of choice.

Students can also apply for one (1) of the following ten scholarships, which are noted on the National NAACP website, (naacp.org, under Find Resources, then Scholarships), and generally opens in May of each year:

- The Agnes Jones Jackson Scholarship
- Building Beautiful Futures Scholarship (awarded by Dark and Lovely)
- Empowering Imagination Scholarship
- Grit Scholarship
- Happy Day Scholarship (STEM Program)
- Hubertus W. B. Williams Scholarship (for males)
- Institute for Integrative Nutrition Scholarship
- Katherine McIntyre Scholarship (any area of study)
- The NAACP Creative Sole Scholarship
- Smile Direct Club Scholarship (STEM Program)

This information was provided on July 26, 2021, at the Lufkin NAACP Branch meeting by our Scholarship Chairlady, Ms. Jurlene Sparks. Thank you Ms. Sparks.
